

World Bicycle Relief teams up with SCOTT-SRAM

The SCOTT-SRAM MTB Racing Team will support [World Bicycle Relief](#) with a [special raffle](#). Presented by Nino [Schurter](#) and [Kate Courtney](#), through the global platform [VIPrize](#), the raffle allows people to buy entries to win a one-of-a-kind SCOTT Spark RC in a limited Supersonic x WBR colorway, as well as a trip for two to one of this year's UCI World Cup events with behind-the-scenes access to the race and SCOTT-SRAM MTB team. All proceeds from the raffle will support the nonprofit World Bicycle Relief, which mobilizes people through the Power of Bicycles.

The raffle is part of a long-term partnership between SCOTT Sports and [World Bicycle Relief](#) that has so far included monetary and product donations by SCOTT to support the essential work of World Bicycle Relief. By partnering with SCOTT-SRAM MTB Racing, it is now possible to offer this truly unique opportunity to support World Bicycle Relief.

"We are thrilled about the partnership with SCOTT Sports and the SCOTT-SRAM team in this campaign to raise funds for World Bicycle Relief. While donors will have the opportunity to win this once-in-a-lifetime bike, the impact of this will help provide a lifetime of opportunities for individuals who receive a Buffalo Bicycle. A huge thanks to the global SCOTT Sports community for helping provide brighter futures for so many through the Power of Bicycles," comments [World Bicycle Relief](#) CEO, Dave Neiswander.

The SCOTT-SRAM MTB Racing Team raffle will run from 7th March to 3rd June. As well as entries to win a Spark RC and VIP trip, the raffle also offers prizes including signed photos, jerseys, and more. To find out more, visit www.viprize.org/scott
